on how to add vintage, distressed, grunge
or that used look to your designs.

HOW TO ADD VINTAGE EFFECTS TO IMAGES?

SCRATCH

WATCH THE VIDEO

1. **Download** the vintage effect file from www.BlackTonerTransfer.com
2. **Open** the image which you would like to add the vintage look to.
3. **Scale** your image to the desired print size.
4. **Open** the vintage effect file.
5. **Select** the vintage texture and **copy** the texture by clicking (Strg+C/Command+C)
6. **Paste** the vintage texture into your image file by clicking (Strg+V/Command+V)
7. **Position** the texture to fit your design.
8. **Select** both your image and the texture.
9. Click **"Back Minus Front"** in the top menu.

Now your image has a vintage effect.

ROUGH

WATCH THE VIDEO

1. **Download** the vintage effect file from www.BlackTonerTransfer.com
2. **Open** the EPS file in Illustrator.
3. **Open** the image which you would like to add the vintage effect to.
4. **Scale** your image to the desired print size.
5. **Select** the vintage effect using the mouse tool.
6. **Copy** the effect by clicking (Strg+C/Command+C)
7. **Click** on the tab with your image.
8. Next, select your vector image with the mouse.
9. **Open** the **"Transparency"** panel (Window > Transparency)
10. **Click "Make Mask"**.
11. **Paste** the vintage effect into the mask layer (Strg+V/Command+V)

Now your image has that vintage look.

GARMENT

WATCH THE VIDEO

1. **Download** the vintage texture Photoshop actions from www.BlackTonerTransfer.com
2. **Open** the image which you would like to add the vintage effect to in Photoshop.
3. **Scale** your image to the desired print size.
4. **Open** the vintage texture file and add the texture to your image document.
5. **Select** the image layer and click the **"Add vector mask"** icon.
6. **Hold** Strg/Command while clicking on the texture layer image window. This selects just the black areas of the texture layer.
7. **Click** on the Vector mask in your image layer and fill the selection with black (Edit > Fill).

Your image now has that vintage look.
